“Exceptional Leadership for Business Advocacy and Economic Prosperity”

January 12, 2013

Dear Chamber Members and Friends of Woodbine:

Once again, we are pleased to report that this past year, our comprehensive, broadly-distributed ***“Business Directory for the Greater Woodbine Area”*** was a ***huge success***.

This year, we will be publishing the Business Directory *no later than* March 30, 2013, so that its broad distribution will occur well before the busy summer season. This provides us with a greater opportunity for distribution at all of the Chamber’s special events and promotions. Distribution of the ***all new 2013 Business Directory*** will be made to the entire “Greater Woodbine” area, including all businesses, tourist centers, information centers, municipal buildings, parks, campgrounds, camping resorts, and similar distribution points.

We encourage you to take an ad in the ***2013 Business Directory***. It will be in full color and the pages are glossy! Moreover, we have *not raised the price of any ad size! Given the economic climate, advertising in our Business Directory — which stays in your customer’s/client’s hands for a full year — is the best bang for your buck!* The Business Directory is the largest fund-raising event the Chamber will have. It gives us the ability to make a real difference in our local community and a new way to invigorate the business opportunities for our Chamber members.

Enclosed is an order form and a copy of the ad you placed last year. If you didn’t place an ad last year, please consider doing so this year. If you are not a member of the Chamber, this is the year to join! (See attached application).

Simply send us the enclosed order form and follow the directions. If you do not have an ad or if you cannot send it through the e-mail process (e-mail set forth below), simply send us your business card or brochure, and any ideas you may have on how you would like your ad to appear. Our graphic artist will take it from there. We’ll design your ad at *no additional cost*, and then e-mail or fax it back to you for your approval or modifications.

Very truly yours,

A handwritten signature in black ink that reads 'Larry E. Holtz'. The signature is written in a cursive, flowing style.
