MEMBER-TO-MEMBER DISCOUNTS

Members in good standing can take advantage of discounts offered by member businesses to other members. To add your discount to the list, fill out the form below and enjoy the great exposure to other community businesses. The list is updated periodically and distributed to the entire membership. By working together, we can make doing business in Woodbine more profitable fore all of us.

Your discount may take the form of a one-time use coupon, an ongoing offer, money off the price of a single item or services, a percentage discount on total purchases, or some combination of these and other options. Please define to whom you will offer discount (i.e., to every employee of a member business, to the authorized representative of abusiness only, or however you wish to define your offer).
